### SUMMER:

As a heads up, I will try to keep email communication to minimum over the summer. As of now, we haven't heard anything from the diocese about next year and what steps we have to follow. As the summer unfolds, I will share what I learn about reopening in the fall.

### MISSION STATEMENT

We dedicate ourselves to building a value-centered learning community rich in Roman Catholic traditions of prayer and service. We foster a safe, nurturing environment of mutual respect. We encourage a partnership between the parents/guardians and school to nurture student growth. We value innovation in education with the goal of our students becoming Christian stewards and lifelong learners.

- Check the website for the school supply lists for next year!
- Keep your blue envelopes home-we are ordering new ones for next year.

You don't want to miss this!

Totus Tuus! July 18th - 23rd! A week of bringing youth closer to Christ through prayer, the sacraments, and fun :) Oh, and Bishop Hying will be joining us the evening of Wednesday, July 20th for family night!!!!

Those registered by this Friday, May 28th, are guaranteed a 2021 Totus Tuus t-shirt. Registration will not "close" on Friday and you are absolutely able to register after this Friday, there is just no guarantee for a 2021 t-shirt, it will most likely be from a previous year. So, if you are not sure by this Friday, it's okay! You still have time to decide! The registration info and form is attached. There are also forms available at the resource table at St. Jerome's.

Please let me know if you have any questions.

Many blessings,  
Miss CJ
